(c) if so, whether Government propose to check this trend; if so, by when?

THE MINISTER OF INFORMATION AND BROADCASTING (SHRIMATI SUSHMA SWARAJ): (a) to (c) The National Channel of Doordarshan is the Public Service Broadcaster, and Prasar Bharati has informed that it telecasts all types of programmes on information, • education and entertainment. Doordarshan-Metro is an Entertainment Channel where the content is driven by market conditions. Besides programmes on News & Current Affairs, Special Audience Programmes arc telecast which deal with rural viewers. The educational programmes represent rural culture and background. Prasad Bharati has intimated that majority of the sponsored programmes telecast have an urban background, but the genre of these are of common interest to the rural and urban population.

In order to increase programmes with rural background, Prasar Bharati has entered into a collaborative arrangement with the Rural Development Ministry to produce programmes on Rural Housing, Gram Swarozgar Yojana, Gram Samridhi Yojana, Panchayati Raj, Rura Social Assistance Programme, etc.

Grant-in-Aid to colleges of Indian System of Medicines

*119. SHRI S. AGNIRAJ: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the Indian System of Medicines Colleges arc not very popular in the country;

(b) if so, what steps arc being taken to make this system more popular;

(c) what is the total grant-in-aid given to these institutions annually, State-wise; and

(d) what are the main parameters adopted in deciding the grants?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P. THAKUR): (a) The colleges of the Indian Systems of Medicine are becoming increasingly popular which is evident from the

number of colleges which ae functioning in the country. There are 387 colleges of Indian Systems of Medicine & Homoeopathy and 51 more have been added during last three years.

(b) The Central Government is implementing various schemes for providing assistance to Under Graduate/Post Graduate Colleges for construction (only Government colleges), equipments, books etc. and for upgrading Under Graduate departments to Post Graduate level. The colleges are also being assisted to conduct Re-orientation Training Programme for teachers and physicians. Several audio-visual aids are being sent to the institutions to improve the quality of the lectures.

(c) and (d) The details of assistance given and para meters adopted for extending assistance are laid as per Statement-I and II on the Table of the House.
